3. All District Inspectors of Schools (SE), All Districts

Sub: Request for downloading and popularizing PM e-Vidya Mobile App among teachers and guardians for strengthening digital learning.

Madam / Sir,

As you are aware, the Ministry of Education, Government of India has launched the PM e-Vidya Mobile App as a part of the PM e-Vidya initiative under NEP 2020 to ensure multi-mode access to quality digital educational resources.

The app provides free access to:

- A) PM e-Vidya DTH TV Channels (Class 1 to 12)
- B) E-Content in multiple languages including Bengali
- C) Storybooks, audio books and interactive learning materials for Foundational Stage
- D) NISHTHA training modules for teachers

In order to strengthen teaching-learning through blended mode i.e., digital platform simultaneously with classroom learning process - it is requested that:

1. All teachers will download the PM e-Vidya Mobile App on their mobile phones from **Google Play Store**.
2. Teachers will use the app regularly to improvise their teaching and for their own professional development.
3. Teachers will inspire and assist the guardians / parents to download the same App on their mobile phones, so that students can continue learning at home under parental guidance.
4. Heads of Institution will ensure 100% downloading of the App by all teachers and make all efforts to cover maximum number of guardians.

This may be treated as a priority and a compliance report regarding downloading by teachers may be submitted to this office within 15.09.2026.

Your active cooperation is highly solicited for successful implementation of NEP 2020 and for achieving the goal of quality education for all.

Thanking you.

Yours faithfully,

State Project Director
